

# Polycom – Hot Desk

## Log in

1. Dial **\*43**
2. At the prompt, enter your **extension number**
3. Enter your **voicemail password**

The phone reboots and displays your username and extension number. You can now make and receive calls.

## Log out

1. While logged in, dial **\*43**
2. At the prompt, enter your **extension number**
3. Enter your **voicemail password**

The phone reboots and displays the original hot desk extension ready for another user to log in.

Log in anywhere globally using a hot desk phone and your extension.
