

# 8x8 Compatible Headsets

Product Name	Plantronics Voyager Legend UC (B235)	Plantronics Convertible Wireless (CS540)*	Plantronics Savi Wireless (W745)	Plantronics Savi Wireless (W730)
<b>Price</b>	<b>\$199.95</b>	<b>\$299.99</b>	<b>\$299.99</b>	<b>\$329.99</b>
<b>Overview</b>	Plantronics Voyager Legend UC meets the demands of mobile professionals like never before, with connectivity to PC, smartphone or tablet. Smart Sensor technology anticipates your needs, voice alerts keep you informed and voice commands keep you in charge.	Ideal for office-based workers who use a traditional desk phone but need hands-free mobility of up to 350 feet. Allows seamless multitasking without interrupting conversations. Lightweight headset is simple-to-set-up and simple-to-use.	Ideal for professionals who use a mix of PC and desk phone communications while in the office for conference calls, webinars, video conferencing and listening to multimedia. The Savi W745 automatically routes audio to whichever device you pick up – headset or phone.	Easily manage and switch between PC, desk phone, and mobile calls from a single wireless headset. Optimized for unified communications, this intelligent system combines best-in-class sound quality, hands-free mobility and hours of talk time for ultimate efficiency.
